

2017-2018

On Tuesday March 7th, 2017 Wheaton College revealed the new watermark at the celebration of the evolution of the Wheaton brand. Wheaton's updated brand identity was to help foster and represent the school's values. This re-branding will also help to differentiate Wheaton College Massachusetts from the Wheaton College in Illinois as many students and alumni have had their school confused with the latter.

Senior Events

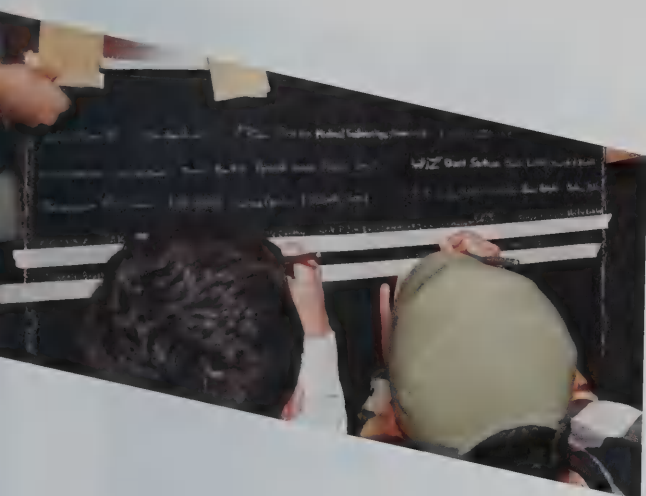

Opening Convocation

The Opening Convocation is the kick-off event of the academic year. Taking place on August 28th at Cole memorial Chapel, the seniors processed into the chapel through the front door.

This year's theme was "Caring and Kindness Create Community" with the keynote address delivered by Associate Professor Stephanie Burlington Daniels.

A long-standing tradition at Wheaton College, this year's class banner was by Jasmine Silva-Jones and Hannah Iavroie.

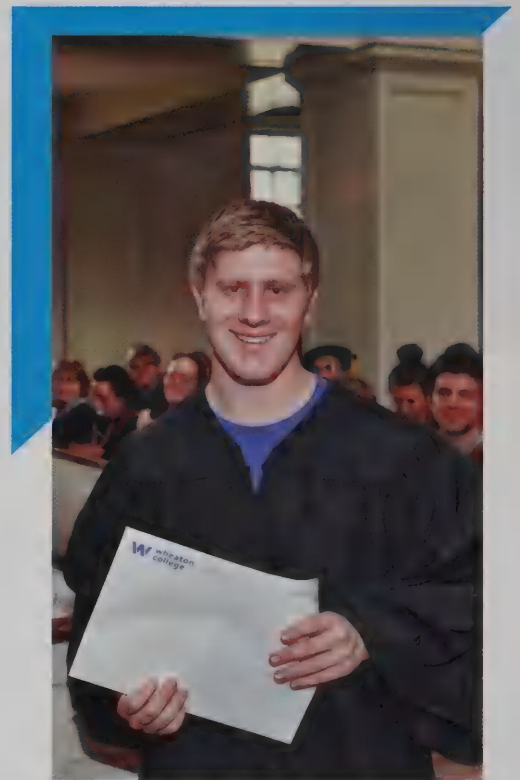

The banner leads the procession at Commencement and is then placed in the Wheaton archive as a piece of college history.

Class Banner

Honors Convocation

The Honors Convocation is an opportunity to honor and recognize those students that have excelled in their field.

This year's keynote speech, "What Will You Carry?", was given by Associate Professor of History Dana Polanichka.

During their senior year, students have the opportunity to conduct a year-long thesis project to graduate with honors. Twenty-four students successfully completed their honor thesis.

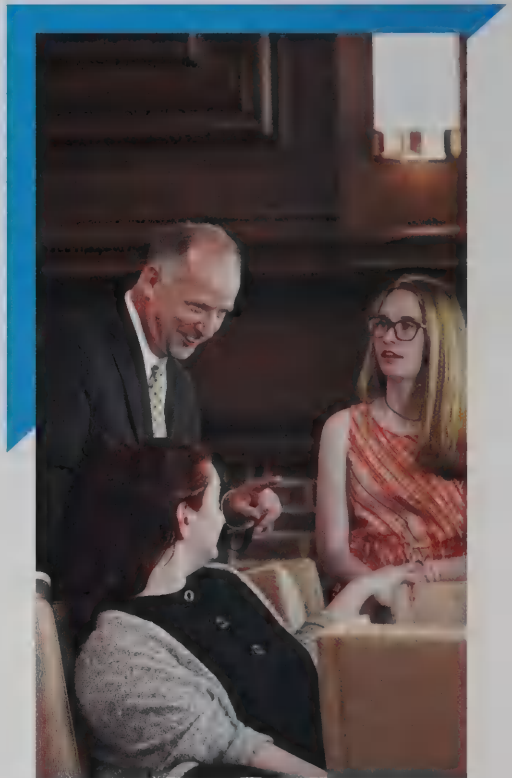

Student parade from the Mars Center for Science and Technology, around the Dimple, to the Registrar's Office to turn in their final thesis paper. Students and their advisers dress up to display the field of work that the thesis pertains to. The papers are presented to the Registrar, Sally Buckley, and are placed in the Wheaton archives as a part of college history.

Thesis Parade

White Glove Brunch

Seniors are given a chance to relax and flaunt their best attire at the White Glove Brunch in Emerson Dining. The menu featured breakfast pastries and foods as well as mimosas.

It is during the White Glove Brunch that the finished class banner is revealed. Seniors are given a chance to sign the back of the banner so that the entire class is represented by the banner.

One of the longest-standing traditions at Wheaton, the Hoop Roll is a based off of a classic children's game from the 19th century. The first senior class Hoop Roll took place in 1912.

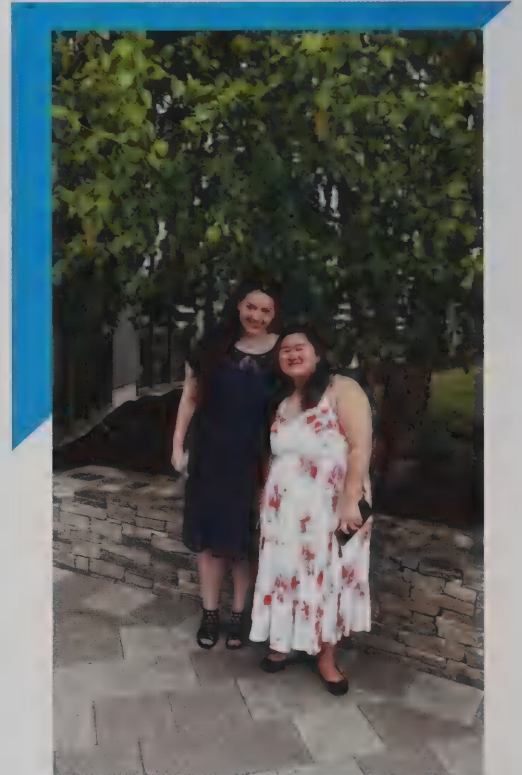

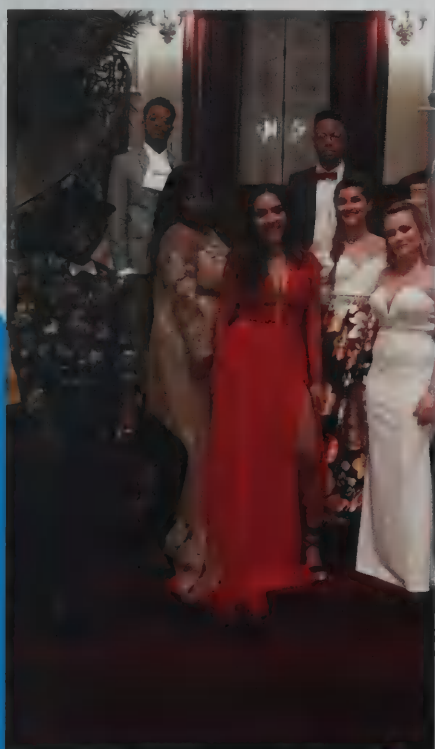

Beginning at the library steps, seniors use wooden sticks to move a hoop through the Dimple all the way to the Hebe statue. There, seniors stack their hoops around the statue. Traditionally, the first senior to roll their hoop to Hebe is predicted to be the first to get married.

Hoop Roll

Rosecliff Ball

Taking place at the historic Rosecliff Mansion in Newport, Rhode Island, the Rosecliff Ball has been a tradition for Wheaton seniors for decades.

Sash Ceremony

Presented by the Global Education Center, seniors received sashes to be worn at graduation and other formal senior events.

These sashes represent a student's home country, country of origin, or the country where the student studied abroad at during their time at Wheaton

The planting of a class tree has been a tradition at Wheaton College since the Class of 1900 donated a tree to the landscape of campus as a class gift.

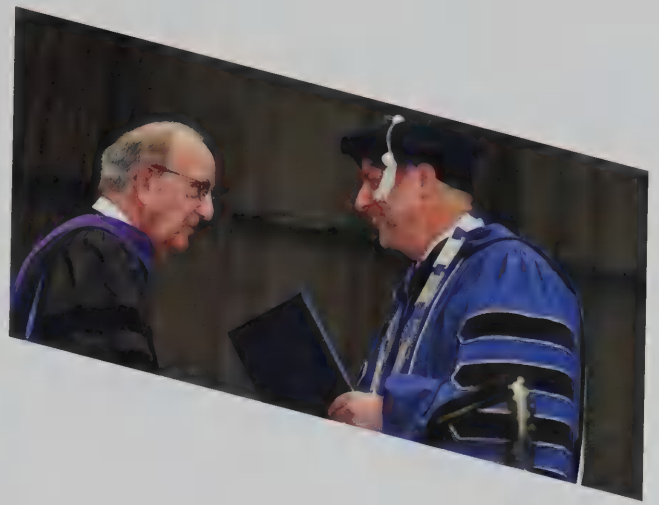

Along with the tree, a treasure box is buried at or near the class tree to be dug up and opened at the class's 25th reunion.

Tree Planting

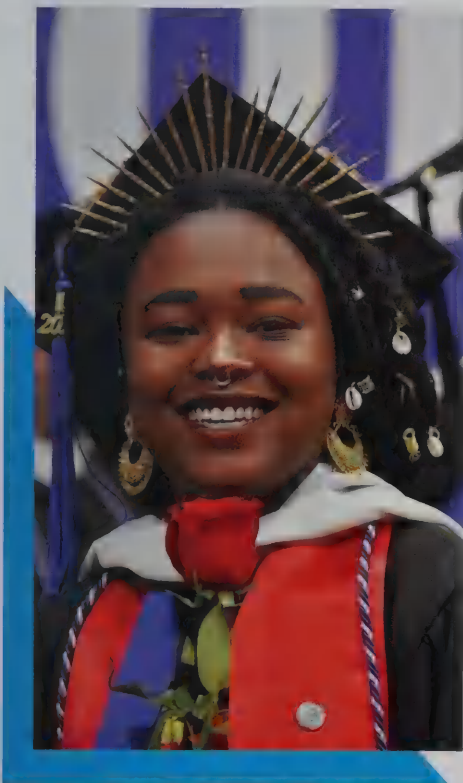

Commencement

Wheaton College's 183rd Commencement Ceremony took place on May 19th, 2018 at 10 in the Beard Field House in the Haas Athletic Center.

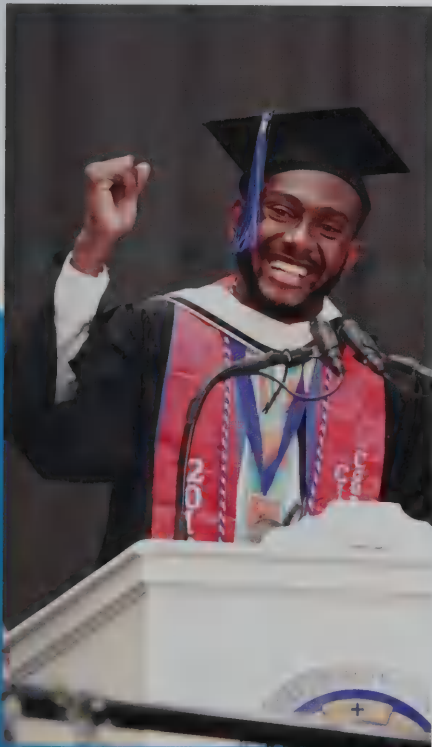

This year's commencement address was given by former US Senator George Mitchell Jr.

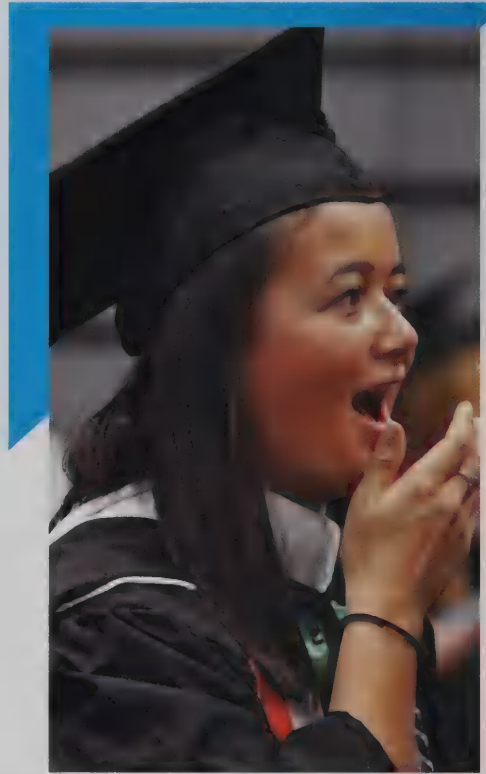

The Class of 2018 Class Council (pictured below) were responsible for organizing dozens of events for the senior class through the year, as well as all of the Senior Week events.

Class President Akrofi Akotiah gave his final remarks and farewells to the class in a speech that congratulated and persuaded the class to continue their pursuit for happiness.

Commencement

Congratulations Class of 2018
